

Betsy

Betsy is a well mannered 10 year old. She enjoys flute lessons, art and swimming and being with animals. She likes to be kept busy.

A polite young girl who is doing very well at school and is extremely bright.

She can be jealous of other children and this can manifest itself in arguing and rivalry.

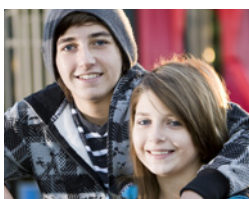

We are seeking an experienced family where Betsy would be the youngest

child, because then she wouldn't need to compete for attention and stimulation.

If you feel you can continue to help Betsy grow in confidence and offer her the love and support she needs – contact us at Telford Fostering.
