

# Patsy

**Patsy aged 8 loves reading, playing with friends and her Barbie doll. She also likes to cook and go on adventure walks.**

**She has enjoyed caravan holidays with her current carers where she has settled well after a lot of transition in her young life.**

She is slightly nervous around new people but she is adjusting well to being in a family environment and looks to the female carer for lots of attention and reassurance.

Patsy is a loving and lovely child who can sometimes pretend to be happy. She loves to re-enact scenes from Disney films by herself or with friends.

We are looking for a long time nurturing lively family where Patsy will fit in and develop and grow.
