

Oscar

Oscar is 13 and he likes walking, particularly up big hills and mountains. He enjoys nature and all sorts of outdoor activities.

He also likes spending time playing board games and on his hand held games console.

Oscar is a very kind and caring person with a great sense of humour. He can engage well in conversation and enjoys being part of a family and taking part in family activities.

He can sometimes find it difficult to manage his emotions; but with the help of consistent rules

and boundaries he is learning to manage this and will take himself off to his room to calm down.

Oscar would benefit from living in a busy, loving and nurturing family who enjoy days out and taking part in activities together. He would be best placed with resilient carers who would be able to provide him with the emotional support and the stability he needs.
