

Ben

Ben aged 14 loves fishing, riding his bike and socialising with his friends. He likes having a laugh and a joke and catching up with the soaps especially Hollyoaks.

He likes to play on his Xbox and to help prepare meals especially the Sunday lunch.

Ben generally gets along with most people but he can be a little cheeky, but stops when he is challenged. He has a statement for his educational needs but in the last two years has been in the top 2 for pupil of the year. He is flourishing at school and the therapeutic

input he had, has now finished because he feels safe and secure within himself.

Ben is a cheeky, charming and likeable teenager who is ready to live with a family within the Stoke area so he can remain at his current school.

Ben would benefit from living with a couple that works together and could offer a long term home until he is an adult.

If you live in the Stoke-on-Trent area and could offer a home to Ben do get in touch on **01952 387387** or email **fostering@telford.gov.uk**
